A JOURNEY OF TRANSFORMATION

JULY - SEPTEMBER 2025

In this edition of OM Foundation's Q2 Newsletter, we share the highlights and achievements of the past quarter. It showcases inspiring stories from our students, teachers, and community partners, reflecting our collective journey toward empowering education, fostering growth, and creating meaningful impact.

ACADEMIC EXCELLENCE

Exploring AI Through Music

Grade 8 students collaborated to create a song using Suno AI, enjoying a fun and interactive way to understand the possibilities of generative AI.

Flipped Classroom

Class 6 students explored 'Articles' in a Flipped Classroom session with Ms. Pooja Agarwal. Engaging discussions were followed by a lively Kahoot quiz, where their teamwork and competitive spirit made learning fun, interactive, and memorable.

HOLISTIC DEVELOPMENT

The Holistic Development segment showcases initiatives that support students' overall development - co-curricular, physical, social, and emotional growth through engaging activities and creative projects.

Dental Health Check-up

In collaboration with Santosh Dental Clinic, Ghaziabad, students from Classes 1-10 received free dental screenings - encouraging healthy oral hygiene and early detection of dental issues.

Srijan : Inter-School Art Competition

Our students explored creativity through Srijan, the inter-house art competition. The event offered a vibrant platform to express imagination and innovation.

Foundation Day Celebrations

OM Foundation marked its 23rd Foundation Day with trustees, advisory board members, alumni, and students. The day was filled with cultural performances, music, and joyful camaraderie.

Plantation Drive

Class 9 students, guided by our Founder & Trustee Mr. Sanjay Drabu, participated in a sapling plantation drive under the Sri Aranyam Project at Alok Vihar, Sector 50 - promoting environmental care and community responsibility.

CAREER PATHWAYS

Students explore diverse industries and career possibilities through interactive expert and alumni sessions, empowering them to make informed choices for their future.

Alumni Talks

Alumni engaged with current students, especially from the afternoon school, providing guidance and mentorship to inspire future pathways.

Flywings Session

Students attended an interactive session by Flywings, learning about career opportunities in the aviation industry. The mentors guided them on skill requirements, growth avenues, and the excitement of working in aviation.

PARTNER HIGHLIGHTS

Meaningful change happens when partners and communities unite for a shared vision. Our corporate partners have gone beyond contribution - they've become catalysts for transformation.

EXL Client Visits

EXL team members spent multiple creative days with our students, guiding them through painting and drawing sessions that encouraged free expression and joyful learning.

Teacher's Day with EXL

EXL joined us for Teachers' Day, hosting an interactive student session and a practical teacher training workshop with Andy Logani, Executive VP and Chief Digital & AI Officer, enhancing classroom skills and engagement.

Independence Day Celebration with EXL

During Independence Day, EXL added colour and energy to the festivities as students showcased their talents and celebrated the spirit of freedom.

Navratri Celebration with GL

GlobalLogic joined us to celebrate the vibrant spirit of Navaratri with a lively Dandiya event. Students showcased traditional dances and activity, making the celebration joyful and memorable.

Ganesh Chaturti with GL

GlobalLogic celebrated Teacher's Day and Ganesh Chaturthi with our school community, creating moments of appreciation, joy, and togetherness.

Session on Health & Hygiene by Sopra Steria

This workshop empowered young women with essential health knowledge, using open dialogue to build confidence and provide support.

TEACHER HIGHLIGHTS

TEACHER TRAINING ON IT TOOLS / SOFTWARE

Teachers received structured training on basic IT tools such as Word and Spreadsheet, enabling them to organize lessons efficiently, manage student data, and prepare digital resources. The program strengthened their confidence in using technology for day-to-day academic needs.

Union Bank Collaboration

In partnership with Union Bank, we conducted an awareness session on bank account opening, helping students understand the importance of financial inclusion and saving.

COMMUNITY ENGAGEMENT

Together, these initiatives highlight our ongoing mission to nurture education, creativity, and community bonds at OM Foundation.

Chai Pe Charcha with Parents

The interactive session encouraged open conversations with parents about the challenges they face in guiding their children. It provided a space for shared learning, understanding, and valuable insights on supporting students' growth and future pathways.

GRATITUDE & APPRECIATION

*Acknowledging the hearts and hands
that made it all possible.*
