Republic Day Celebrations

The Republic Day celebration at OM Foundation School was a grand event that truly showcased the spirit of unity in diversity among the students. Following the flag hoisting ceremony and march past, the students presented a variety of cultural programs that showcased the rich cultural heritage of India.

Maths week at OM Foundation School

On the occasion of National Mathematics Day, OM Foundation observed the Maths Week from 18th Dec to 22nd Dec. Class 1 & 2 students did word problems of addition & subtraction through role plays. Class 3 students participated in model making competition on odd and even numbers. Classes 4 and 5 students participated in maths quiz and working models. Class 6, 7, 8 and 9 students made models and charts on fractions, decimals, integers, data handling, polynomials, exponent and powers, mensuration etc.

”

Performances included patriotic songs, traditional dances of different states and a skit that highlighted the values enshrined in the Constitution.

Awareness was provided through the speeches emphasizing role of the Constitution in shaping the country.

One of our distinguished guests from EXL also graced the stage with her fascinating dance performance. The celebration instilled a sense of patriotism and civic duty among the students.

National Science Day

National Science Day, celebrated on February 28th, was not just an event but a catalyst for igniting curiosity and innovation among students. Starting with a speech on the contribution of Sir C.V. Raman in Physics, the day saw many engaging activities. While science exhibition was organised by class 7 and 8 students where they conducted experiments and explained them, classes 6 and 7 were engaged in poster making competition.

International Youth Day

At OM, we take pride in fostering vibrant environment that nurtures the potential of our young minds. On this special day, we always come together to celebrate the energy, creativity, and passion that our students bring to the learning journey. Through a myriad of activities, discussions, and collaborative initiatives, we empower our youth to be catalysts for positive change, encouraging them to dream big and contribute meaningfully to our interconnected world.

Joined Hands with Feeding India

Feeding India's team joined us as our food and nutrition partner. Our partnership with Feeding India ensures that these children have access to good food, vital nutrients and have a big smile!

Career shaping workshops

We are thrilled to share highlights from our recent workshop on "How to ace your first/next interview" with NIOS students! where they explored interview strategies, crafted impactful resumes, and even had a professional photoshoot for that perfect resume pic.

Mock interview sessions also fine-tuned their skills for 1-1 interactions, while another special class on professional grooming tips set the stage for success of these future job seekers.

Olympiad winners- Commerce

We are happy to announce that two of our students secured Rank 1 in olympiads in Commerce Stream.

Neha Arya and **Aafreen's** outstanding achievement in securing **Rank 1** in the **Olympiad** is truly commendable. Their dedication, hard work, and exceptional knowledge showcase not only their individual brilliance but also the high standards of education and guidance provided by teachers and organization.

This accomplishment is a source of pride for both the students and the entire educational community.

We are proud of them

Olympiad Results

Talent Hunt Olympiad

The international Talent Hunt Olympiad ITHO assesses students' academic abilities in Maths, Science and Reasoning and teaches them to think more critically. Students at OM Foundation actively participated and have demonstrated academic excellence in the same.

1. Ravi Shankar of class 6 has attained state rank 18 along with a gold medal
2. Priya and Shree of class 8 have achieved gold and silver medals respectively
3. Yukti and Akash of class 10 have also bagged gold and silver medals.

Leadership talk with Mr Vikas Bhalla, EVP - EXL and EXL team

Our school had the privilege of hosting the incredible team of EXL, along with Mr Vikas Bhalla, EVP in an engaging leadership talk. In their endeavour to bridge the gap between academics and the corporate world, Mr Bhalla took an inspiring session with class 9 students while the other EXL volunteers interacted with students of class 7 & 8.

The students had an interactive discussion with their corporate mentors on career development, usage of technology and social media as tools to progression. We are grateful for their invaluable advice which left the students motivated and empowered.

Interactive session with Ms. Dipti Mathur (Chief of Staff for CFO and Global Procurement Head-EXL)

OM Foundation School is really honored with the gracious visit of EXL team. Ms. Dipti Mathur (Chief of Staff for CFO and Global Procurement Head, EXL) visited us with her team of 25 enthusiastic volunteers, during which the professionals graciously imparted their wealth of experiences to our students.

They provided invaluable insights to Class 6 regarding Cyber Predators and addressed Gender Sensitivity with Class 7. Additionally, they engaged in interactive sessions with Class 8 on Bullying and Financial Transactions, and delved into Peer Pressure with Class 9.

EXL Team visit at OM Foundation School

On behalf of students of OM Foundation we would like to express our heartfelt gratitude to Ms. Kirsten Loreen, Mr. Robert Paul, and Ms. Valerie Kong for sharing their time and valuable insights with our senior students. The inspiring interaction covered various important topics such as career advice as well as some light moments where they shared childhood memories.

AFS Republic Day Celebration with team GlobalLogic

Afternoon School Program students and our Corporate Partner, GlobalLogic team joined hands in a spirited Republic Day celebrations. A kaleidoscope of patriotic songs, traditional dances, and shared moments of pride paint a vibrant picture of India's rich heritage.

Together, they cultivate a sense of patriotism and civic duty, fostering unity and joy in the heart of the celebration.

Recruitment Drive at OM Foundation School

Recently, the interview session was conducted at OM Foundation School for the 12th class students. Such initiatives can greatly benefit students by providing them with real-world exposure and helping them prepare for their future careers. Companies like Search my Tender and AWHO Office Sec 37 participate in these sessions add significant value, as it allows students to interact with professionals and learn about various career opportunities.

PTM at OM Foundation School

During the school's Result Declaration Day and PTM, students and parents enthusiastically gathered to celebrate academic achievements and discuss areas for improvement.

Students showcased Math and Science Models, explaining concepts like mathematical identities and Newton's laws to interested parents.

Creative works such as art pieces and handmade books were also displayed, while musically inclined students played instruments like violin, keyboard, drums, tabla, and harmonium throughout the school premises.

Success stories

The inspiring journey of Saumya

From a young age, I have understood the values of hard work and perseverance. Despite facing numerous obstacles, I tried to perform good in my studies, but I was pretty average student till 10th. With unwavering determination, I pursued every opportunity to expand my knowledge and skill set.

I have completed graduation from Delhi University (School of Open Learning). During my college years, I continued to juggle multiple jobs to support myself financially.

From waitressing to working in retail, I embraced each role as an opportunity to learn and grow. And it was during this time that I landed a job at Burger King, where I gained valuable experience in customer service and team management. I dove head first into the workforce, taking on various backend jobs to learn more skills and knowledge .

While the work was demanding and the hours were long, I approached each task with a sense of purpose and dedication.

Determined to reach greater heights, I set sights on pursuing higher education. I tried not to loose sight of my ultimate goal.

Later, my impeccable work ethic and relentless drive caught the attention of recruiters at Amazon, one of the world's leading tech companies and now I am heading towards a much better career.

The Triumph of Nikhad Jaha in Medicine

From a very young age, I had an insatiable thirst for knowledge and a desire to make a difference in the world. Amidst the life with lack of resources and opportunities, I found a way to succeed in life in OM Foundation.

Determined to defy the odds stacked against me, I poured my heart and soul into studies. I devoured every book I could get my hands on, immersing in the wonders of science and medicine. Despite the skepticism and discouragement, I remained steadfast to pursue my dreams.

As I approached the final hurdle on my journey to medical college, I faced a daunting challenge: the medical entrance exam. I dedicated myself to months of rigorous preparation. The exam day was very crucial but with unwavering focus and determination, I tackled questions with precision.

Exam results gave me tears of joy and filled me with great pride as I have not only passed the exam but also had secured a coveted position in a prestigious medical college.

As I look to the future, I am filled with hope and optimism, knowing that I will have the power to make a difference in the lives of others through my passion for medicine. And though the road ahead may be long and arduous, I will face it with unwavering resolve, knowing that I am capable of achieving anything I put my mind to.

Shubham

In the corridors of OM Foundation School, I was an average student. My grades were average and my attention was weak. But there was one thing that set my soul on fire: Dance.

Dance became my stress buster from the pressures of school life. Every movement, every step, every spin, every leap gives me relief, peace and a sense of confidence.

Despite my academic shortcomings, my passion for dance was something I can proud of. I dedicated countless hours to perfecting my craft through sheer determination and commitment. And as I grew older, my love for dance deepened and I was determined towards making this my career.

But the path to realising my dreams was filled with challenges. Financial constraints and societal expectations tried to derail my aspirations, casting doubt on my ability to turn my passion into a profession. Yet, deep down, I knew that dance was my true calling, and I refused to let anything stand in the way of my dreams.

And today, against all odds, I stand proudly at the helm of Dance Forever Company, a testament to the power of perseverance, passion, and the support of those who believed in me. With OM Foundation School by my side, I have transformed my passion for dance into a thriving business, inspiring others to follow their dreams and dance forever.
