Equally remarkable are our Class 12th students, who also achieved a flawless 100% pass rate with an average of 78.27%, and high percentages in English, Chemistry, and other key subjects. We are immensely proud of their dedication and hard work, which have been supported by our devoted teachers and the cooperation of their parents.

These exceptional results are a testament to their perseverance, and we are confident they will continue to excel in their future endeavors. Thank you for your unwavering trust in OM Foundation as we continue to create a legacy of success and empowerment. We eagerly anticipate the bright futures that lie ahead for our students.

English Language Day : a tribute to the power of words

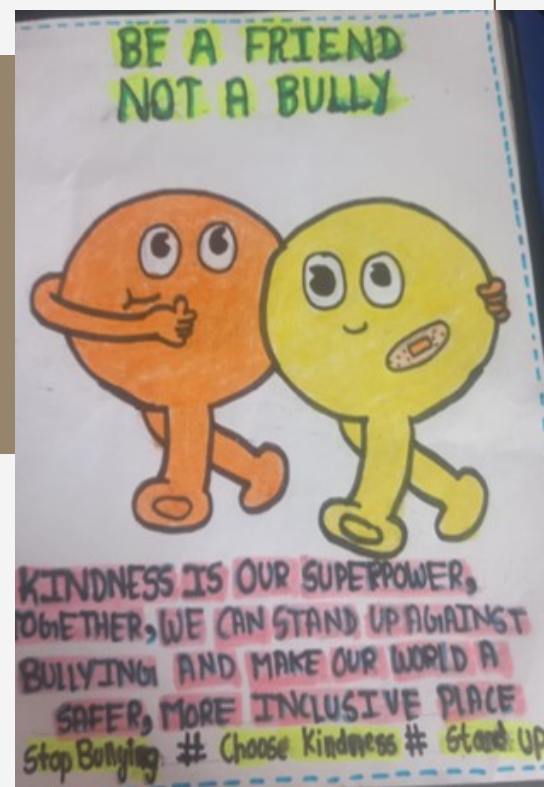

English Language Day is a tribute to the global significance of the English language, now the most widely spoken language worldwide. To mark this occasion, our students delivered speeches and shared practical tips to excel in English. Various competitions were held across classes to enhance listening, speaking, and writing skills. Class 3 participated in a Spell Bee and grammar quiz, while Class 4 engaged in a quiz covering spelling, grammar, and jumbled sentences. Class 5 focused on Spell Bee, grammar, jumbled sentences, and sentence completion exercises. Poster-making and slogan writing on the theme of bullying were organized for Class 6, and story writing for Class 7. Class 8 showcased their creativity with a "Listen, Visualize, and Draw" activity, while senior students in Classes 9 and 10 participated in thought-provoking debates

Anti-Bullying Campaign

The anti-bullying campaign at OM Foundation was launched to create a safe and inclusive environment for all students. Through activities like Nukkad Natak (street play), poster making, and PowerPoint presentations, the campaign focused on raising awareness about the importance of kindness, empathy, and taking a stand against bullying.

Mock Parliament

Class 7 and 8 students hosted Mock Panchayat, with some acting as villagers and others as Panch and Sarpanch. Villagers presented issues faced in rural India, while the Panch and Sarpanch discussed and resolved these concerns, offering a practical insight into rural governance.

We are excited to share the outstanding results of our Class 10th and 12th students in the NIOS Board exams. This success reflects our commitment to excellence, supported by our dedicated faculty and our corporate partner, GlobalLogic, through the Empower to Educate project. Congratulations to all our students on this remarkable achievement!

Parent Orientation Program

A Parent Orientation Program was hosted to warmly welcome our new Class I students and their families. The session aimed to introduce parents to our school's mission and vision, academic and extracurricular activities, evaluation system, and important policies and procedures. Our class teachers engaged with the parents, and the Principal introduced our dedicated activity teachers. This program was a key step in fostering a collaborative effort between teachers and parents to support the holistic development of our students.

Bridge course of class 1

The aim of planning a Bridge course for students entering class 1 from diverse school backgrounds is to provide targeted support to address their specific learning gaps and challenges. This includes focusing on foundational literacy and numeracy skills, and assessing individual student needs, offering differentiated instruction, providing additional practice opportunities, and fostering a supportive learning environment to help struggling students catch up and succeed academically.

Yoga: a journey of Self-Discovery.

"Yoga is a journey of self-discovery, where you uncover your true essence and embrace your authentic self."

We were delighted to host Ms. Chavi Methi, a certified Yoga trainer and volunteer at OM Foundation, who conducted a transformative yoga session for our students. The class was a remarkable experience, providing our students with a chance to explore mindfulness, enhance their well-being, and connect with their inner selves.

Teacher Leaders Program

This program was introduced to the teachers to train them to be more self-aware, practise reflection, action and silence as well as enable the practise learning in students that supports holistic education catering to the child. We have sent one of our teacher for offsite training session for 3 days in Rishikesh. It is a pyramid training according to which a facilitator would get trained by TLP and s/he will share the learning with other facilitators.

Olympiad Achievements

We held a Certification Ceremony to recognize the hard work and success of our Olympiad participants and winners. Students in the Educate to Empower program showcased remarkable skills in subjects like Mathematics, Hindi, English & more. Congratulations to all for their achievements, and best wishes for continued academic excellence!

OM Foundation School

Leadership Talk with EXL

We were honored to welcome the CEO, CRO, COO, and SVP of our corporate partner EXL, along with their clients, to our school. The visit included an overview of our programs, initiatives, and our dynamic learning environment. The industry leaders shared their success strategies and career insights with our senior students, and engaged in a fun, interactive story narration session with the middle school students. Their inspiring advice was greatly appreciated by all. We are deeply grateful for the valuable time and effort our esteemed guests contributed.

Summer Camp 2024

OM

The Summer Camp 2024 at OM Foundation School was a great success, featuring skill-building and creative activities. With support from EXL volunteers, students enhanced their artistic and technical skills while developing cultural appreciation and resilience.

Recruitment Drive at OM Foundation

Recently, OM Foundation School hosted a recruitment drive for our Class 12th students. This initiative offers valuable real-world exposure and aids in career preparation. Companies like Search My Tender and AWHO participated in this drive, enriching the experience by allowing students to interact with professionals and explore various career opportunities.

These sessions are crucial as they provide insights into the corporate world and highlight the skills and qualities necessary for success. We commend Search My Tender and AWHO Office for their commitment to engaging with our students and sharing their expertise. We are proud to announce that both companies are recruiting our students, reflecting their hard work and dedication.

Successful Recruitment Drive with MyMoneyMantra

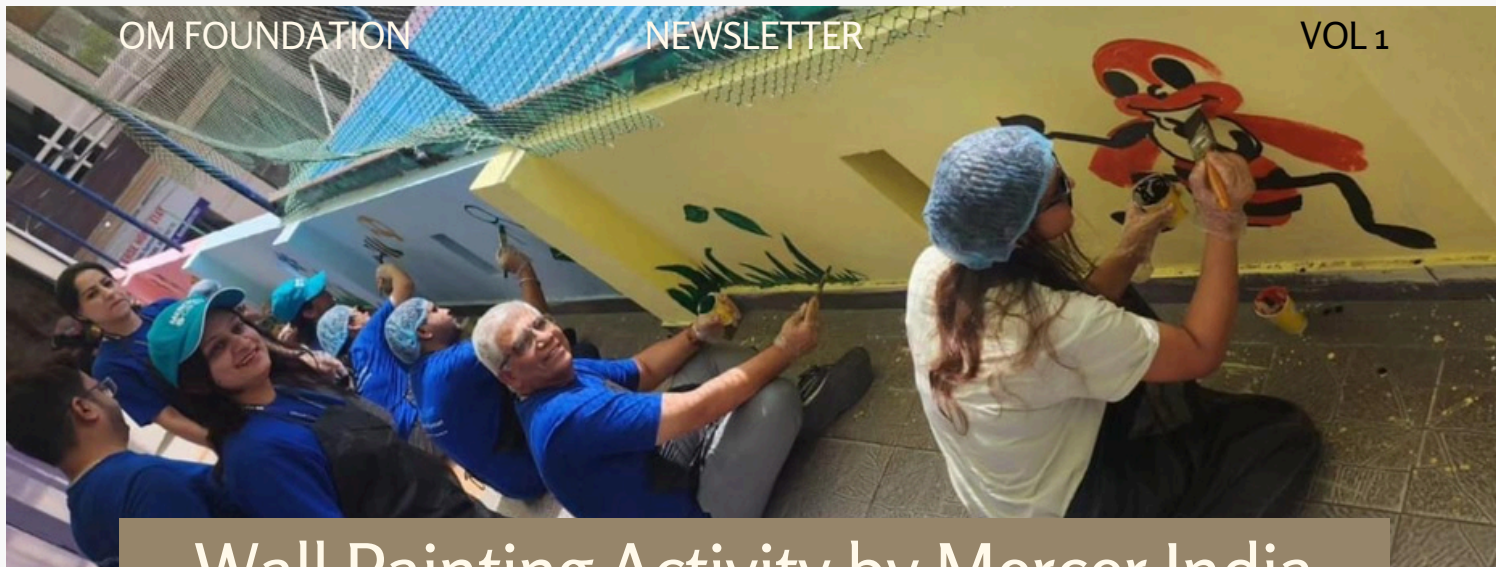

We are excited to share that recruitment drive with MyMoneyMantra was a great success. Such drives are crucial for attracting talented individuals who can contribute to organizational goals. The fact that both current students and alumni from Educate to Empower program are being recognized and offered job opportunities is a testament to the quality of education and training provided. This success showcases the skills developed through our partnerships.

We extend our gratitude to the GlobalLogic for their continued support for our students and congratulate the 6 students from the current batch & alumni from Batch 1 who secured job offers! This achievement validates their hard work and the effectiveness of their education.

Happiness Curriculum sessions towards SEL

The implementation of the Happiness Curriculum, focusing on Social Emotional Learning (SEL) for classes 1-5, has proven successful, with significant improvements observed in students' emotional regulation. The daily integration of SEL activities has created a more inclusive and supportive classroom environment, leading to better behavior and enhanced student engagement.

Wall Painting Activity by Mercer India

We recently held a wall painting activity on our school grounds, generously sponsored by Mercer India. The Mercer volunteers collaborated to create a stunning mural, making the experience truly memorable for both our school community and the Mercer team. We extend our heartfelt thanks to Mercer India for their support and for making this event so special.

A Memorable Visit from Pacific Global

OM Foundation was honored to host Mr. Kumar Shwetabh, Founder & CEO of Pacific Global Inc. and President & Chief Growth Officer at Access Healthcare Services, along with his esteemed clients, Mr. Scott Evans Gressett and Mr. Scott Cooper. They engaged our students with inspiring talks about their career journeys, and the day was filled with enjoyable activities and games.

We are deeply grateful for their time, generosity, and the positive impact they brought to our school. Such interactions not only inspire our students but also highlight the importance of community support. We look forward to future collaborations and extend our heartfelt thanks for their significant contribution to our students' growth and development.

Events & Celebrations

The students and teachers at OM show a strong commitment towards organizing and participating in events that celebrate national and cultural values. The following celebrations were conducted with great enthusiasm:

Tagore Jayanti
Mothers' Day
Eid-ul-Fitr
Mahavir Jayanti

Welcoming Ms. Malika Taneja as a Board Member & Trustee

We are excited to welcome Ms. Malika Taneja as a new Board Member and Trustee at OM Foundation. Malika's journey with OM Foundation began as a dedicated volunteer & education mentor. Her contributions earned her the position of advisor very soon.

Her new role as Board Member and Trustee is a natural progression, reflecting her extensive experience and unwavering dedication. With her background as a co-founder of Labhya Foundation and experience in finance and compliance, she is well-suited to contribute to our strategic goals. Her appointment also adds valuable diversity to our board.

We look forward to her continued impact on our organization.
