To educate students and teachers about the fire safety measure, a training session was conducted in the OM Foundation by a group of police officials. Various preventive measures followed by a Demo on their implementation were demonstrated to students

BEST *out of* **WASTE**

In order to generate the habit of using old things to create beautiful and useful crafts amongst children, a 'best out of waste competition' was organized at OM Foundation. Mrs. Seema Drabu, Mr. Sanjay Drabu and Mr. RD Shukla ignite the spirit of students by their encouraging words.

In order to create a holistic learning environment to make learning an engaging and interesting process, smart boards were installed in OM Foundation.

Teacher's a Day at OM Foundation was celebrated with exuberance. Students of Class 10th put up a great show remarking the importance of values, lessons and teachings of teachers in life. Mime Show, Song, Dance, Play activity, Cake Cutting were few of the highlights of the event wholly organised by the students.

OM Foundation celebrated 15th August with high spirits. Started with flag hoisting, the event showcased an eye catching march past, inspirational patriotic poem recitations, melodious patriotic songs and thrilling Dance performances. Kids of all classes and age groups took part in the event
