AFS Elections & Investiture Ceremony

We witnessed the true essence of leadership as our students in Afternoon School vied for prestigious roles in the school elections for the positions of Head Boy/Girl and Deputy Head Boy/Girl. Their dedication and talent shone brightly! We take immense pride in announcing the prefects of every class and the heads of sports, cultural, and discipline committees, forming a strong student council ready to lead by example. The entire school community came together for the voting process, with students and teachers actively participating. Such a democratic spirit fosters a sense of belonging and responsibility. Amidst all the excitement, our students also performed a captivating play that sheds light on the issue of dowry, promoting awareness and empathy in society.

To celebrate this achievement and inspire further, we were honored to have volunteers from GlobalLogic join us for a special investiture ceremony. Their presence motivated our students as they received their well-deserved titles from these supportive volunteers. With this united vision, we are confident in inspiring and guiding our Afternoon school towards greater heights!

Success stories

Sarita Kumari

Sarita Kumari, a student whose family migrated from Himachal Pradesh to Noida, embarked on a life-changing journey when she joined OM Foundation School in 2013. Despite facing various obstacles, her talent and unwavering dedication made her stand out as a hardworking student. OM became more than a school; it became her family, nurturing her dreams and providing countless opportunities.

OM's support and cost-free education empowered Sarita to become self-reliant and confident. The school believed in her potential, and, with their help, she achieved the impossible—securing admission in Banasthali University, one of the top women's colleges. Despite financial challenges, Sarita completed her B.Com. with the help of OM.

Today, she shines as a Senior Associate at Diageo, a multinational company in Bangalore, earning a package of 4 lacs. Her success has become an inspiration for other girls to embrace opportunities and prove their potential. Sarita's journey has not only made her family proud but also encouraged other parents to support their daughters' ambitions.

With immense gratitude, Sarita cherishes her time at OM, where she found a caring and friendly environment that fueled her enthusiasm for learning. As her school, we take immense pride in her achievements and wish her the very best in all her future endeavors.

Naveen Hajong

Naveen Hajong, the first student of OM Foundation, has been accepted into SRCC, Delhi University, to pursue B.Com. (Hons.). He achieved remarkable success as our top-ranking student in Class 12 this year, scoring an impressive 88%. Naveen's dedication and diligence have been exemplary, and we are elated to witness his triumph. Despite facing adversity due to the tragic loss of his father in a car accident and belonging to an underprivileged background, Naveen's determination has shone through. His mother, who works as a maid, has been his pillar of support. As an only child, Naveen's journey to success has been truly inspiring, and we take immense pride in his achievements!

"Personally, I view this institution more as a school rather than an NGO, as my focus remains on treating every child equally and acknowledging their capabilities. Each day at OM Foundation brings new learning opportunities for me. The supportive staff and management go above and beyond to ensure my comfort and well-being. The overall atmosphere exudes positive and peaceful vibes, fostering an optimal environment for teaching and learning."
