

Session 2023-24 Newsletter Vol.3

Christmas Carnival by GlobalLogic

The school was filled with Christmas cheer as GlobalLogic conducted a carnival for Afternoon school students. Volunteers from GlobalLogic visited and celebrated Christmas with these little ones. They distributed gifts and certificates to the students truly highlighting the essence of love, kindness and gratitude.

Guru Nanak Jayanti

Fostering a sense of unity and religious harmony, the students of OM Foundation school celebrated Guru Nanak Jayanti with full enthusiasm. They performed a traditional dance, gave a speech on the teachings of Nanak ji and presented a beautiful play showcasing the childhood events of Guru Nanak. The students got an opportunity to learn more about the day and be a compassionate and humble being.

”

The team and the students of OM Foundation were overwhelmed to celebrate festival season with our Corporate Partners. It's really an honour for OM to have CSR Partners taking out time from their busy routines and visiting our little ones, Which helps in their grooming and cherishing the environment.

Christmas Carnival by EXL Service

The air was filled with Christmas cheer as EXL organised a fun filled, gala Carnival for our students, And showcasing the essence of love, kindness and gratitude.

Students of all the classes were overwhelmed to see their favourite Bouncy house, Balloon shooting and the mouthwatering popcorn and cotton candy along with several activities. The school was adorned with colourful balloons, Christmas decorations and the sound of laughter and chatter.

It was indeed a magical day for everyone.

World Students' Day

Students of Dr Kalam House put up an engrossing Special Assembly in the memory of our beloved scientist and statesman, Dr APJ Abdul Kalam who has been a role model for many.

On the occasion of his Birth Anniversary, students presented an informative speech, motivational quotes, poem and an enchanting musical performance.

Dussehra Celebrations

Afternoon school students celebrated Dussehra on 20th Oct with songs, mask competition, dances, and a Ram Leela highlighting the triumph of good over evil, emphasizing moral living.

The program was very engaging & a great start to the onset of festive days ahead

Annual Art Competition

To acknowledge the dedication of our Shining Stars towards studies and good academic performance, OM Foundation hosted a felicitation ceremony in which the first three rank holders from Class 1 to 10 were honoured with trophies and certificates. The students with 100% attendance were also recognised for their consistent behaviour which is the stepping stone for any success.

Annual Sports Meet 2023

What a day at the Annual Sports Meet of OM Foundation School!

Thrilled to have had corporates join us in full swing, engaging in friendly yet competitive team sports! From spirited relay races to intense tug-of-war, it was a day packed with camaraderie and sportsmanship.

Kudos to all the participants for showcasing incredible teamwork and dedication. A big thank you to everyone involved in making this event a roaring success!

Hindi Debate Competition

National Hindi Debate Competition 2023 - Vagmi, was organised by Kiran Nadar Museum of Art, Noida. Displaying the astonishing presentation skills, language accuracy, presence of mind, confidence and critical thinking, our students sparkled in the Vaad Vivaad Pratiyogita. Khushboo of class IX bagged the first prize in the Senior Wing and Priya of class VIII bagged the first place in the Juniors.

This is once again, a moment of immense pride for the entire school. This accomplishment reinforces our commitment towards the holistic development of our students.

Dental check-up

To promote good oral hygiene and reduce the oral disorders, Santosh Medical College, Ghaziabad conducted dental check-ups for all the students of OM Foundation School. They gave some preventive tips and home care advice to all the students and arranged subsequent visits of students with oral diseases for dental procedures at their hospital in Ghaziabad. We are thankful to Santosh Medical College team for their invaluable investment in creating healthy smiles.

Annual Art Competition

Annual Art Competition was organised at Mayoor School, Noida. Many NCR schools participated in the competition. OM Foundation also took active part in the event. Nandini Verma bagged the first position in the Senior category while Pari Chauhan bagged the third place in the junior category.

On top of these achievements, OM Foundation was bestowed with the second best NGO school of Noida.

Inter School Competition

OM Foundation School recently had the privilege of showcasing its students' abilities in an inter-school competition, where our students emerged victorious, bringing home an array of prizes.

9th Inter School Competition on Road Safety was organised by Gyan Mandir Public School Delhi, where students from various schools of NCR had gathered to exhibit their skills. The event featured a diverse range of activities.

Our students demonstrated excellent flair for

creativity. Krishna and Tannu of class 9th won the first prize in Jute Bag painting, Ashwini of 9th class bagged the third position in Shapath Lekhan, Luky and Abhay won the third prize in Web Bees and Srishti of class 8th was recognised with a Special prize in Animated Story Designing.

Share and Support Day 2023 with Sopra Steria

Sopra Steria, a European tech leader in consulting and digital services, held its Annual “Share and Support Day 2023”.

A Quiz Competition was organised where 16 schools participated and OM Foundation students secured the second position. Various rounds were conducted which tested the students’

knowledge on Indian states, sports and corporates. Our students from Class 6, 7 and 8 shone through, with their intelligence, presence of mind and confidence. We wish them roaring success in all their future endeavours.

Maths week at OM

On the occasion of National Mathematics Day, OM Foundation observed the Maths Week from 18th December to 22nd December. Students loved to experience the different maths skills which was beyond the regular classroom activities.

Class 1 & 2 students did word problems of addition and subtraction through role play. They performed a beautiful song on different shapes. A common place value chart was also made by them. Class 3 students participated in model making competition on odd and even numbers. Classes 4 and 5 students participated in maths quiz and working models. Class 6, 7, 8 and 9 students made models and charts on fractions, decimals, integers, data handling, polynomials, exponent and powers, mensuration etc.

Maths quiz was one of the most interesting activities for the students. It was an enriching and fun filled week for the students which also enhanced their analytical skills and inquisitiveness for the subject.

Success stories

Rinki

Rinki, a 2021-22 commerce graduate, now working as a CRM at Ceridian Pvt Ltd, earning ₹15,000 monthly. Hailing from a family of six, with her father working as a cab driver, Rinki credits her success to Om Foundation's communication and computer classes that played a pivotal role in her career journey.

Her dedication and focus during her studies seem to have paid off, leading her towards a path of professional success. Its always inspiring to see young individuals like Rinki embarking on their career journeys with such determination! We wish her all the best for the Future.

Naveen Hajong

Naveen Hajong, the first student of OM Foundation, has been accepted into SRCC, Delhi University, to pursue B.Com. (Hons.). He achieved remarkable success as our top-ranking student in Class 12 this year, scoring an impressive 88%. Naveen's dedication and diligence have been exemplary, and we are elated to witness his triumph.

Despite facing adversity due to the tragic loss of his father in a car accident and belonging to an underprivileged background, Naveen's determination has shone through. His mother, who works as a maid, has been his pillar of support. As an only child, Naveen's journey to success has been truly inspiring, and we take immense pride in his achievements!
